

Non-Standard Admission - Applicant Rationale

The minimum academic requirements for admission to our Master in Environmental Studies (MES) program are an honours (or 4-year) undergraduate degree from an accredited university with an academic standing of at least a "B+".

Applicants who do not meet these academic requirements must complete this form in order to be considered for admission. Please note that you may also be required to complete an interview and/or equivalency exam.

First name:

Surname:

York reference number (if known):

My application for admission to the MES program does not meet the following minimum requirements:

- I do not hold an undergraduate degree
- My GPA is below B+
- I do not hold an honours (or 4-year) undergraduate degree
- Other - please explain:

Please provide a detailed written explanation outlining how you are prepared to successfully complete a research-intensive graduate program despite the fact that you do not meet the minimum admission requirements. For the best chance of your application being successful, you must demonstrate that you have an extensive background in the area you wish to study, including significant writing and analytical experience. Feel free to attach a separate letter.
